Safety and Health Declaration

Please include with shipment or send to us by mail or fax +49/911/4306-251

Dear Customer,

We need to protect our staff against hazards caused by contaminated pumps.

Please understand that we can only undertake repairs / modifications / provide cost estimates, after receiving this declaration that you have completely filled-in and signed.

Please return the pump(s) to us in a cleaned state and confirm that the cleaned pumps or its medium which was piped does not bear any health hazard.

In case of toxic or hazardous media or products which are subject to the Regulation on Dangerous Chemicals (German: Gefahrenstoffverordnung), the Material Safety Data Sheet (MSDS) must be included to this Safety and Health Declaration.

We reserve the right of returning contaminated pumps back to you for cleaning!

King regards
